

High-Efficiency Toilet (HET) Rebate Program

Rebate applications will only be accepted from qualifying residents within the Broward Water Partnership Rebate Program (Program) area. If you are uncertain if you reside within the Program area, please log onto www.ConservationPays.com, or call 1-800-270-9794, to determine your eligibility.

Once you have determined that you are eligible, you must then read and abide by the following Program Terms and Conditions before completing and submitting your application.

Terms and Conditions to Participate

- Application must be **completed, submitted and approved** before the applicant may purchase the toilet for which they wish to seek a rebate.
- If you have already applied and been approved for one toilet rebate of up to \$100, you may only apply for one additional rebate. Up to two rebates total will be allowed per qualifying household for up to \$100 per rebate, or the cost of the toilet, whichever is less. Taxes, and cost of toilet seat (if purchased separately), do not qualify toward rebate amount.
- Must own and reside in a single-family home, townhouse, or condo, within the program area where the toilet will be installed.
- Up to two rebates will be provided per household for up to \$100 each, or the cost of the HET, whichever is less. Must be replacing a toilet that currently uses **more than** 1.6 gallons per flush (gpf) with a U.S. EPA WaterSense® High-Efficiency Toilet (HET) that uses 1.28 gpf or less. WaterSense® dual flush toilets must also use 1.28 gpf or less for both flush options. If you are uncertain about how many gallons per flush your current toilets uses, you may find that information stamped on the space between the toilet seat and the tank or inside the tank itself. Or, log onto www.ConservationPays.com for more information. (Note: Although not required, it is recommended that the Maximum Performance rating of the toilet for solids removal is at least 800 grams – typically written as MaP 800g on the toilet specifications.)
- Must be a water account holder that receives water directly from one of the participating Partner utilities. However, condominium owners may contact their Condominium Association or their management company to obtain that account holder information. Please note: You must reside in the condominium to qualify. If you are renting or leasing to someone then you do not qualify.
- Applicant is solely responsible for the purchase and installation of toilet and all related parts, permits and equipment.
- Applicant is solely responsible for the proper disposal of the toilet that is being replaced and agrees that they will not reuse, sell, donate or give it away.

- Participants must agree to complete a water conservation survey.
- Toilets may be subject to inspection, and applicant may be contacted by the Rebate Administrator (or his/her Designee) to schedule an on-site installation verification inspection, and if contacted, you agree to consent to a post-installation inspection.
- Applications will be processed on a first-come, first-served basis, and are subject to the availability of funds, or until the program is terminated.
- The rebate check will be only issued to a **pre-approved** utility account holder applicant.
- Applicants must submit their reimbursement documentation to the Rebate Administrator **no later than 45 days** after the applicant has received notification that their application was approved. **Applications will be cancelled once the 45-day period has expired and a rebate check will not be issued.**
- Rebates may be subject to income tax. Consult your tax advisor for more information.
- Toilets receiving rebates are prohibited from re-sale.
- This program is subject to modification, suspension or termination without prior notice.
- Complete documentation of toilet pre-approval, purchase and installation in accordance with Program Terms and Conditions will be required in order to be eligible for a rebate.

Toilet Rebate Disclaimer: Broward County and the Broward Water Partnership reserve the right to reject any application that does not meet all of the requirements of this rebate program. Broward County and the Broward Water Partnership do not guarantee that the installation, operation and maintenance of water-efficient equipment will result in reduced water usage or in cost savings. Broward County and the Broward Water Partnership make no warranties, expressed or implied, with respect to any equipment purchased or installed, including but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall Broward County or the Broward Water Partnership be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation.

Limitation of Liability/Release: Applicant understands and agrees that, to the extent not prohibited by law, in no event shall Broward County or the Broward Water Partnership, its officials, officers, employees or agents be liable for any claimed or actual damages or losses of any kind, however caused and regardless of the theory of liability, related in any way to this rebate program, even if Broward County or the Broward Water Partnership has been advised of the possibility of such damages or losses. To the extent not prohibited by law, applicant assumes all risks associated with this program, including without limitation, all risks associated with purchase, installation and maintenance of a High-Efficiency Toilet (HET) subject to this program (including, without limitation, the risk of not realizing water usage savings or cost savings as a result of converting to a HET), and the removal and disposal of the toilet that you replaced, associated parts, building materials, labor and equipment in connection therewith. Applicant releases and holds harmless Broward County and the Broward Water Partnership, its

disposal of the toilet that you replaced, associated parts, building materials, labor and equipment in connection therewith. Applicant releases and holds harmless Broward County and the Broward Water Partnership, its officials, officers, employees and agents from any and all claims for damage, death or injury to any persons or property arising in any way from this rebate program, including the installation and maintenance of an HET, associated parts, building materials, labor and equipment subject to this program (including without limitation the use, operation and maintenance thereof), or the removal or disposal of the toilet that you replaced, associated parts, building materials, labor and equipment in connection therewith, other than those caused solely by the willful or grossly negligent acts or omission of Broward County or the Broward Water Partnership.

How to Apply for Rebate

Once you have read, understand and agree to abide by the Broward Water Partnership High-Efficiency Toilet (HET) Rebate Program Terms and Conditions you are ready to begin the application process.

You may complete and submit your application in one of the following ways:

1. **Online at:** www.ConservationPays.com/GimmeARebate
2. **Mail Application to:** NRPMD, 115 South Andrews Avenue, Room 329H, Fort Lauderdale, FL 33301
3. **Email Application to:** ConservationPays@Broward.org

Questions may be emailed to ConservationPays@Broward.org, or you may call 1-800-270-9794.

REMINDER: Do not purchase your toilet unless you have received your Approval Confirmation Notification and Number. Toilets purchased before you have been approved will not be eligible for a rebate.
